Happy New Year

Another crazy year. So happy 2024. Keep following the Nihilist projects including the Nihilism Calendar, my fun book, Nihilist Fun presentations, videos, the web site and film festival.

Nihilist International Film Fest 2023

The Nihilist Film Festival will be on Friday, December 15 at 8:00 p.m. This year we are showing our films live. The festival is at The Highways Performance Space at 1651 18th Street in Santa Monica. You will get to see an amusing and grotesque selection of short films from around the country and around the world, so I hope you can all make it.

If you cannot make it in person, we are also going to put the show on vimeo like last year, from Christmas until New Years. More information is available at the Nihilists Corner website <http://www.nihilists.net>. And here's the vimeo link.
